1. I will speak any morning before breakfast, any morning you let Me, any morning that I can come and that I can call and that I can conquer thought, man's mind, for I already am there, I am. I love you.
2. And I told you I would give you humus and humus I gave you and it did not take long, did it? (laughter) "No. Lord." I love you.
3. I give you Me and My Mighty Many come forth, they come forth in regions many, they come forth in rank not, but they come forth of every aspect. Now see Me. Now see Me in My Mighty Many and where they come from, where they came from, they came from Me. You came from Me. I am you: I Am.
4. I love you and I thank you for your conversations with Stephen and what is coming forth indelibly now, imprinted upon man's mind, women's mind, little ones; yea, even toddlers will know and speak Me. I love you.
5. I thank you for recanting not, but reciting My words and flowing forth in the power of My love; the power of My love; loving My love and loving My lifted ones, lifted by My power alone, not by self, not by themselves, not by their self nor by their mind nor the inventions of man, doctrine, or prayers prayed in platitudes and repetition; but Me.
6. Serenity in surrender, war in surrender, cataclysmic of only Me; coming forth with such peace and war through those seeking My face, seeking My side, seeking to know Me and not just My principles, not just My precepts, not just things they can take and then exalt themselves anymore. I love you. They are dead, they and the Mighty Many now who come forth as pure gold; yea, and wanting none (1), now come forth having all. I love you.
7. And I give you Me and I give you My sons and My daughters and My schools, My values. Books arise, bookmakers come and flourish in digitized replications of only Me you know nothing of yet, but will so soon, so very soon. Seeing them now you are.
8. I love you and I give you Me. I give you Me. I give you Me. Thank you for receiving Me and Me who received you; fought for you, loved you, love you, birthed you, given unto you My all, proclaimed, foreknew, foreknown, foretold, predestined, maximum potential in Me, prescribed not, ascribed to, given, spoken, fashioned and formed, allowed, choice made, choices making, yielding into that which you choose, Me ever so meek. I am meekness and, yea, I am the author of all. Yea, no confusion, no unpeace in Me and no evil thought of. I love you.
9. I give you Me and I you now to churches many, world wide, the brotherhood of only Me: those who seek My face and come to Me on crosses many, their cross, withholding nothing, crying, crying, crying out for correction: My correction, the correction of My

voice, the correction of My experiences which I arrange to behold, to be behold'd, for them to behold My correction and be Me. Those that are seeking My discipline, those that come to Me for My judgement, giving Me their judgement; afraid not, fearless ones who are courage'd infused, courage infused and knowledge'd by Me and those that now walk Me fearlessly, perfectly meeknessed in self none, self Me. I love you and **every link and linkage into My design now comes forth.** I love you.

10. Enjoy My day, My friends, My relationships, My all together lovely and restrict not what I am doing in you, and I give you Me. All of Me you are, walk in the limitless, boundary-less affection of My affection all. I love you deeply, dearly, completely, all together lovely, lovingly. Love My body more. Enjoy My body more. Smile in every situation. I love you.

Good day.
